

PLANT PICK DISPLAY INSTRUCTIONS

ITEM # 70169

1. Lay main piece out flat with the printed part face down.
2. Fold front section up and fold to form 2 "steps".
3. While holding the "steps" in place begin folding and tucking the side flaps on side A into the body. Insert the top tabs into the slots with matching numbers (see image).
4. Fold up the back piece, tuck the side flaps into the body. Insert top tabs into slots with matching numbers (see image).
5. Fold open inner support pieces like shown in dia. A. Slide into the body, making sure that they slide the whole way in.
6. Fold up side B, tucking in the side flaps to the body. Insert top flaps into the slots with matching numbers (see image).
